Serious Games

More and more people are looking to technology to treat mental health. What are your views?

We would like to hear from clinicians and patients- whether you have heard if these games or not your views are valuable. See the next page to see if you're suitable for our survey.

https://redcap.sydney.edu.au/surveys/?s=A4J9XJH8YR
You can do our survey if you:

- Live in Australia
- Are between the ages of 18-85
  AND
- You have undergone psychotherapy for your mental health OR work in an area of mental health where you provide therapy
